

Proceeds from Sponsorship of the **28th Columbine Classic Duet Golf Tournament** to be held July 24th-26th, 2023 will provide much needed funds to **Stillwater Music**.

Stillwater Music in Durango, Colorado provides music programs that give kids an opportunity to do something fun, creative, and cool with their peers. They encourage students to explore and expand their limitations both creatively and socially. They strongly believe keeping students engaged in music will help to build character, teamwork, and self-confidence.

Stillwater Music's inclusive programs bring together all kids – including those with disabilities - to create music and dance in a supportive and caring environment, and to dissolve barriers that all too often isolate people in our society, especially those with disabilities. And Stillwater's youth scholarship program ensures that no child is denied music education because of financial barriers.

A portion of the proceeds will also be contributed to the **Nick Turner Scholarship at Fort Lewis College benefitting the Women's Varsity Golf Team**. Its primary purpose is to provide athletic scholarships for the players to help finance their college educations.

THREE WAYS TO DONATE:

- 1. Sponsor – Be a sponsor and donate \$\$ (Section 1 form completion)**
